

A new classic is born.

introducing Celebrity® Select
the finest Celebrity Stool ever created

To create Celebrity Select, our designers studied great designs of the past to make a dental stool ready for the future. The result: a graceful, waterfall seat shape that effectively alleviates pressure points. A contoured back support to effortlessly encourage proper lumbar positioning. Silky controls that encourage adjustments. Whisper quiet casters. Real chrome plating. And the finest American craftsmanship money can buy. Available in doctor and assistant models. **Experience Celebrity Select for yourself and discover why it's the brightest star in seating.**
