

Fast Response Less Downtime

LARGE EQUIPMENT

When vital equipment fails, we bring our expertise to you.

Chairs, dental units, pans and other major equipment failures can put an entire operatory out of service and throw your schedule into chaos. At Benco Dental, we understand the need for fast response and complete repairs. When the unexpected happens, our factory certified service techs will be there to get your equipment up and running again.

Fast Response – All of our service vehicles are electronically guided. When you call, we pinpoint the nearest vehicle and route it directly to your office.

Emergency Service – We understand that certain repairs simply can't wait. That's why all emergency calls receive priority service at no additional charge.⁴

Certified Technicians – Only authorized technicians have full support from the manufacturer. That's especially important should an unusual problem occur.

Genuine Parts – Because Benco Dental offers the widest range of brand new equipment, we also have an extensive inventory of 100% original parts.

PREVENTIVE MAINTENANCE

Enhance the reliability & performance of your dental equipment with 360° Preventive Maintenance.

Prevent trouble before it slows your practice down. Benco Dental's factory-certified service technicians are experts in anticipating potential failures and correcting problems before they can interrupt your schedule. Plus, preventive maintenance ensures that your equipment will perform to original factory specifications, so you can perform at your best.

Flexible Plans – Choose the preventive maintenance program that best suits your needs. We offer plans to suit nearly every practice.

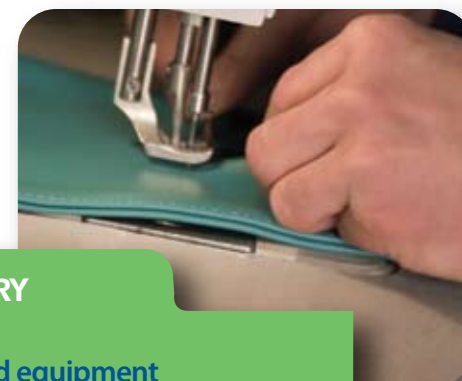

Convenience – With preventive maintenance from Benco Dental, you can focus on dentistry, not the upkeep of your equipment.

Value – Preventive maintenance saves you money in the long run by avoiding malfunctions that can slow your practice and impact your profitability.

Peace of Mind – You want your equipment to last. Preventive maintenance ensures that you're maximizing the service life and reliability of everything you own.

ADVANTAGES

Re-Cover For A New Look For Less

UPHOLSTERY

Give your old equipment a new lease on life.

Impress your patients for less. Let Benco Dental's team of upholstery craftsmen re-cover your dental chairs and stools with your choice of attractive fabrics for a look that's good as new. There's no simpler, faster and more cost-effective way to refresh all of your operatories.

Fast Service – With little or no downtime, you can enjoy a like-new look and feel for all of your upholstered equipment.

Wide Color Selection – Choose from an extensive array of rich, inviting hues that match all classic and modern color schemes.

Value – Why discard a functional chair when it can look like new for a fraction of what it would cost to replace?

12-Month/6-Month Warranty – All workmanship is covered for a full year, while material is covered for six months of normal use.

SCHEDULING

One call does it all.

Dealing with multiple repair services can be a time-consuming and frustrating process. Benco Dental simplifies matters by offering a single point of contact for all of your repair and maintenance needs. Simply call 1-800-GO BENCO to schedule service or to check on the status of your mail order repairs. What could be easier?

One Call – Simply call 1-800-GO BENCO to schedule everything from handpiece repairs to onsite maintenance of your large equipment.

One Account – All repairs are consolidated on your existing Benco Dental account, making it easier to track your maintenance and repair expenditures.

One Team – Save time and effort. Trade up to the quality and convenience of factory-authorized service by Benco Dental's 360° service team.

One Exciting Bonus – Earn BluChip® rewards points on all qualifying small equipment repairs.¹ Redeem them for valuable rewards or credit toward your account.

ADVANTAGES

HANDPIECE REPAIR

Compare us to the competition. You'll find they don't compare.

When it comes to handpiece repairs, you get what you pay for. You may pay less for a substandard repair, but it will cost you more in the long run because it simply doesn't last. At Benco Dental, we employ the best technicians and use only genuine parts. Because the best value in handpiece repair is the one that lasts longest.

Guaranteed 24-Hour Turnaround – Your repair will be completed in one business day, not including transit time to and from our location.²

Free Pickup & 2-Day Express Return Shipping – Simply slip your handpiece into one of our shipping packets and call us for free pickup.

Genuine Parts First – We will never use aftermarket parts without your authorization. Only genuine parts give you like-new performance.

Satisfaction Guarantee – Every repair we perform is 100% guaranteed. We even match the manufacturer's warranty point-for-point for up to two full years.

ADVANTAGES

SMALL EQUIPMENT

For equipment that performs like new, take it to the experts.

Today's scalers, curing lights, sterilizers and other small equipment is precision engineered to exacting standards. Our certified specialists will restore your equipment to the original factory standards for performance and reliability. Each piece is thoroughly cleaned and tested before delivery so it not only works great, but looks great too.

90-Day Warranty – For added peace of mind, most repairs are covered by our comprehensive three month limited warranty.

Guaranteed Turnaround – Your repair will be completed in five business days or less, not including transit time to and from our location.³

Accurate Repairs – What good is fast turnaround if your equipment needs a return trip to the shop? Our highly trained specialists will get it right the first time.

Rentals – Can't live without a certain piece of equipment? Rental units are available on a weekly basis so you can keep working without interruption.³

ADVANTAGES

When something breaks, there's no time for excuses. That's why Benco Dental offers 360° Complete Service & Repair for virtually every product in your practice.

Our comprehensive approach to repairs and maintenance begins the second you place a call to us. And it doesn't end until you're completely satisfied with the results.
