SUBJECT: Sales Tax Exemption Certificate

Benco recently completed an internal audit of state sales tax as applied to dental lab purchases.

Products associated with the categories listed on the following page are subject to taxation in the State of Wyoming, unless a valid exemption certificate has been executed. To facilitate the exemption process, please furnish Benco with a copy of the Wyoming Exemption Certificate, **F003**.

To view an example of your state's completed certificate, please visit the following link: <https://www.benco.com/equipment/benco-lab/exemption-certificate-information/>. This example will provide you with the necessary fields that require completion. Additionally, we have included a blank copy of your state's exemption certificate.

Please send a copy of your completed exemption certificate to the Benco Tax Team ASAP. You may do so by fax, email, or by USPS. ***Please make sure that your customer number, contact name, and phone number are clearly indicated at the top of your form, in case we require any clarification.***
