

Bye bye, bad fees.

Hello, faster payments
and **bigger profits.**

At **PPO Profits**, we're experts in fee negotiations and revenue cycle management. Our proven strategies will help you generate more revenue from both insurance and cash patients—regardless of whether you're positioning a startup for success, revitalizing a newly acquired office, gaining firmer control of your multi-location practice, or simply renegotiating your existing contracts. And now, PPO Profits is part of the Benco Dental family, so comprehensive solutions for growing your practice are closer than ever.
