## Indiana — Notice of Tax Exemption

Dear Customer,

It has come to our attention that certain items are subject to Indiana sales and use tax unless a valid exemption certificate is on file. Products associated with the categories listed on the following page are taxable without a properly executed exemption certificate.

To establish your exemption, we will need a completed copy of the Indiana Exemption Certificate, **Form ST-105**, returned to our Tax Department.

Please visit the link below to view a completed example for your state, which outlines the required fields and any additional language needed. A blank copy of the certificate is also available for you to download, print, and complete:

Once completed, please submit your exemption certificate to the Benco Tax Team using the contact information below. **Please include your customer number, contact name, and phone number at the top of your form** so we can reach you if we have any questions.
